2. On the Login page, you have 2 options. You can sign up using your Social login OR using your username (email) and password.

Using Social Login:

The image shows a login page for Strathium Property Management. At the top left is a logo consisting of a house icon with a dollar sign inside a shield. To the right of the logo, the text "Strathium" is displayed in a large green font, with "Property Management" in a smaller black font below it. The main content area is enclosed in a rounded rectangle with a green border. At the top of this area, the text "Welcome back" is written in a large green font. Below this, the text "Please sign in with" is centered. There are two buttons for social login: one with the Facebook 'f' logo and one with the Google 'G' logo. Below these buttons is the word "or" centered. Underneath are two input fields: "Email" and "Password", each with a small icon of three dots and a vertical line on the right side. At the bottom of the form is a large green button with the text "SIGN IN" in white. Below the button, the text "Forgot password? [Reset it](#)" is displayed, with "Reset it" in green.

Using Social login, simply click the one that applies, **Facebook** or **Google**. If your email address is registered with Strathium, this will check you authentication status with Facebook or Google and return a value to Strathium which would enable us log you in successfully.

If your email is not yet registered before, it would take you to the Sign Up page with your **First name**, **Last name** & **email** already populated.
